

Walk-in Interview for a Project Fellow Position in a DST-SERB funded project at Adamas University, Barasat

Date: 01.11.2018

A walk in interview for the post of project fellow in DST-SERB funded project "**Synergy between metal-organic frameworks and organometallics through C-H bond activation: Novel approach in heterogeneous multifunctional catalysis**" has been scheduled on 10th November 2018 at Adamas University, Dept. of Chemistry.

Minimum qualification: 55% (or CGPA 6 in a 10 point scale) in M.Sc. or equivalent in any area of Inorganic/Organic Chemistry.

Desirable qualification: (A) The applicant has to qualify either of the National Eligibility Test (JRF/LS), Joint Entrance Screening Test (JEST), Graduate Aptitude Test for Engineering (GATE) or any equivalent test that qualifies as the "National Eligibility Test" as per SERB regulations. (B) The candidate has experience in different inorganic/organic synthesis and instrument handling. (C) Good oral and written communication skills in English.

Job description: The fellow will need to search for and characterize new and novel molecular frameworks. The work involves both theoretical and experimental approaches. The fellow will have to publish his / her scientific findings in reputed international journals.

Project duration: Duration of the grant (subject to performance evaluation time to time).

Fellowship/Salary: As per DST-SERB rule.

Interview Date & Time: 10th November 2018, 3 PM

Venue: Adamas University, Barasat, Dept. of Chemistry, Block 2, Ground Floor, Room AU2-001

No TA/DA will be paid to attend the interview.

Please bring your updated CV and a 250 words write-up about your own research vision along with the name and details of at least one referee (someone who can provide feedback on your academic backgrounds).

Bring your original marksheets / grade cards for B.Sc. and M.Sc. during the interview. Attested Xerox copies of the original will also be accepted.
